BOUTIQUE SCHOOL
PHOTOGRAPHY

WHAT IS BOUTIQUE SCHOOL PHOTOGRAPHY?

SIMPLY PUT,

Boutique school photography is custom, candid, studio simulated imagery that provides a better option for parents than standard industry norms. We give them something special- variety and the ability to choose their favorites, instead of the choice being made *for* them.

Our Studio thrives on creating real moments on film, eliciting genuine emotion from children, and delivering a product of exceptional quality. We have structured our program as a fundriaser for your school, as well as a solid value add for your parents.
